The Tax Administrator is hereby authorized to provide by regulation that the return of an employer or employers, showing the amount of Municipal tax deducted by said employer or employers from the qualifying wages, commissions, other compensation, and other taxable income of a nonresident employee, and paid by him or them to the Tax Administrator may be accepted as the return required of a nonresident employee whose sole income, subject to tax under this Tax Code, is such qualifying wages, commissions, other compensation, and other taxable income.

(b) A husband and wife may file either separate returns or a joint return for municipal purposes, even though one of the spouses has neither taxable income nor deductions included on the Municipal return regardless of whether their federal and state returns were filed separately or jointly.

(c) The return shall be filed with the Tax Administrator on a form or forms furnished by or obtainable upon request from the Tax Administrator; or on a generic form, if the generic form, when completed and filed, contains all of the information required to be submitted with the Municipality's prescribed return and, if the taxpayer or return preparer filing the generic form otherwise complies with the Tax Code governing the filing of returns.

Any extension by the Tax Administrator shall be granted upon the condition that declaration filing and payment requirements have been fulfilled; however, if, upon further examination it then becomes evident that declaration filing and payment requirements have not been fulfilled, penalty and interest may be assessed in full and in the same manner as though no extension had been granted.

- (g) Amended Returns.
- (1) Where necessary, an amended return shall be filed in order to report additional income and pay any additional tax due, or claim a refund of tax overpaid, subject to the requirements and/or limitations contained in Section 181.11. The Tax Administrator shall provide by regulation the format in which such amended return shall be filed. A taxpayer may not change the method of accounting or apportionment of net profits after the due date for filing the original return.
- (2) Within three (3) months from the final determination of any federal tax liability affecting the taxpayer's Municipal tax liability, such taxpayer shall make and file an amended Municipal return showing income subject to the Municipal tax based upon such final determination of federal tax liability and pay any additional tax shown due thereon or make claim for refund of any overpayment.
- (h) Information returns, schedules and statements required to support tax returns which are incomplete without such information shall be filed within the time limits set forth for the filing of the tax returns and the failure to file such information returns, schedules and statements shall be a violation of this Tax Code. Provided, however, that the taxpayer shall have ten (10) days after notification by the Tax Administrator, or his authorized representative, to file the items required by this paragraph. (Ord. 03-0-285. Passed 12-18-03.)

**181.051 OHIO BUSINESS GATEWAY.**

(a) As used in this section, "Ohio Business Gateway" means the online computer network system initially created by the Department of Administrative Services under Section 125.30 of the Ohio Revised Code, that allows private businesses to file business reply forms with state agencies and includes any successor electronic filing and payment system.

(b) Notwithstanding Section 718.05 of the Ohio Revised Code, on and after January 1, 2005, any taxpayer that is subject to Riverside's income tax on net profits from a business or profession and has received an extension to file the federal income tax return shall not be required to notify the Riverside Tax Administrator of the federal extension and shall not be required to file a tax return until the last day of the month to which the due date for filing the federal return has been extended, provided that, on or before the date of filing the municipal income tax return, the person notifies the Tax Commissioner of the federal extension through the Ohio Business Gateway. An extension of time to file is not an extension of the time to pay any tax due.

(c) For taxable years beginning on or after January 1, 2005, a taxpayer subject to Riverside's tax on the net profits from a business or profession may file a Riverside income tax return or estimated income tax return, and may make payments of amounts shown to be due on such returns by using the Ohio Business Gateway.

- (d) (1) As used in this division, "qualifying wages" has the same meaning as Section 181.02(32).
- (2) Any employer may report the amount of Riverside income tax withheld from qualifying wages paid on or after January 1, 2007, and may make remittance of such amounts, by using the Ohio Business Gateway.

(e) Nothing in this section affects the due date for filing employer withholding tax returns.

(f) There is no fee charged for the operation or maintenance of the Ohio Business Gateway.

(g) The use of the Ohio Business Gateway by Riverside, taxpayers, or other persons pursuant to this section does not affect the legal rights of Riverside or taxpayers as otherwise permitted by law.

(Ord. 04-0-311. Passed 10-21-04.)

**181.06 COLLECTION AT SOURCE.**

(a) Withholding by Employer. Each employer within, or doing business within, the Municipality who employs one or more persons on a salary, wage, commission or other compensation basis shall deduct, when such salary, wage, commission or other compensation is paid, allocated, apportioned or set aside, the tax at the rate provided in Section 181.03 hereof on the qualifying wages due by such employer to each such employee and shall, on or before the last day of each month, make a return and pay to the Tax Administrator the amount of taxes so deducted during the preceding month. The return shall be on a form or forms prescribed by or acceptable to the Tax Administrator. Such employer shall be liable for the payment of the tax required to be deducted and withheld whether or not such taxes have in fact been withheld. Nothing in this section prohibits an employer from withholding tax on a basis greater than qualifying wages. The Tax Administrator may require withholding payments to be made by electronic funds transfer or ACH.

(b) An employer is not required to make any withholding with respect to an individual's disqualifying disposition of an incentive stock option if, at the time of the disqualifying disposition, the individual is not an employee of the corporation with respect to whose stock the option has been issued.

- (c) (1) An employee is not relieved from liability for a tax by the failure of the employer to withhold the tax as required by a municipal corporation or by the employer's exemption from the requirement to withhold the tax.
- (2) The failure of an employer to remit to the municipal corporation the tax withheld and shown as withheld on the employee's W-2 year end statement relieves the employee from liability for that tax unless the employee colluded with the employer in connection with the failure to remit the tax withheld.

(d) The Tax Administrator shall have the authority to approve the filing of quarterly withholding payments. Upon approval, the employer shall, on or before the last day of each month following the calendar quarters ending March 31, June 30, September 30 and December 31, make a return and pay the tax withheld during the preceding calendar quarter. The Tax Administrator may revoke the approval of quarterly filing and payments whenever the Tax Administrator has reason to believe that the conditions for granting such authorization have changed, were judged incorrectly, were not met, or when it is in the best interest of the Municipality to do so. Notice of withdrawal shall be made in writing and, in such case, the employer must begin to file in accordance with this section.

(e) Employer Considered as Trustee. Each employer in collecting such tax shall be deemed to hold the same, until payment is made by such employer to the Municipality, as a trustee for the benefit of the Municipality, and any such tax collected by such employer from his employees shall, until the same is paid to the Municipality, be deemed a trust fund in the hands of such employer. Each employer shall be liable for the payment of the tax required to be deducted and withheld whether or not such tax, in fact, has been withheld.

(f) Any person who is required to withhold tax from qualifying wages shall pay all such tax to the Municipality in accordance with the provisions of this section. In the event taxes withheld from the qualifying wages of employees are not paid to the Municipality in accordance with the provisions of this section, all officers, members, managers, employees, and trustees having control or supervision of or charged with the responsibility of filing the return and making payment are jointly and severally personally liable for the tax not returned or paid to the Municipality as well as any related interest and penalties, and are also liable under the provisions of Section 181.99 hereof. The dissolution, termination, or bankruptcy of a corporation, limited liability company, or business trust does not discharge an officer's, member's, manager's, employee's, or trustee's liability for a failure of the corporation, limited liability company, or business trust to file returns or pay said taxes.

(g) Withholding Return; List of Employees. Each employer shall file a withholding tax reconciliation showing the sum total of all compensation paid all employees, the portion of which, (if any) was not subject to withholding along with an explanation for same, and the portion of which was subject to withholding, together with the amount of such withholdings remitted. Such return shall include information concerning each employee from whom the Municipal tax was withheld, showing the name, address, zip code and social security number of each such employee, the total amount of compensation paid during the year and the amount of Municipal tax withheld. If the total tax withheld from any employee included tax withheld and remitted to another municipality, the amount of same shall be separately shown on the return of information to the Municipality concerning each employee. The withholding tax reconciliation shall be filed by each employer on or before February 28 following the end of such calendar year. The Tax Administrator may require the filing of such reconciliations and employee information by alternate media.

(h) In addition to the wage reporting requirements of this section, any person required by the Internal Revenue Service to report on Form 1099-Misc. payments to individuals not treated, as employees for services performed shall also report such payments to the Municipality when the services were performed in the Municipality. The information may be submitted on a listing, and shall include the name, address and social security number (or federal identification number), and the amount of the payments made. Federal form(s) 1099 may be submitted in lieu of such listing. The information shall be filed annually on or before February 28 following the end of such calendar year.

(i) Domestic Servants. No person shall be required to withhold the tax on the qualifying wages, commissions, other compensation, and other taxable income paid domestic servants employed exclusively in or about such person's residence. However, such domestic servants shall be responsible for filing and paying their own returns and taxes. (Ord. 03-0-285. Passed 12-18-03.)

### **181.07 DECLARATIONS.**

Every person who anticipates any taxable income which is not subject to Section 181.06 or who engages in any business, profession, enterprise or activity subject to the tax imposed by Section 181.03, shall file a declaration setting forth such estimated income or the estimated profit or loss from such business activity together with the estimated tax due thereon, if any. Provided, however, if a person's income is wholly from qualifying wages from which the tax will be withheld and remitted to this Municipality in accordance with Section 181.06, such person need not file a declaration.

- (b) Dates for Filing.
- (1) Such declaration shall be filed on or before April 15 of each year during the life of this Chapter, or on or before the fifteenth (15th ) day of the fourth (4th) month following the date the taxpayer becomes subject to tax for the first time.

- (c) Forms; Credit for Tax Withheld or Paid Another Community.
- (1) Such declaration shall be filed upon a form furnished by or obtainable from the Tax Administrator or an acceptable generic form, and credit shall be taken for the Municipal tax to be withheld from any portion of such income. In accordance with the provisions of Section 181.14, credit may be taken for tax to be withheld and remitted to another taxing municipality.
  - (2) The original declaration (or any subsequent amendment thereof) may be increased or decreased on or before any subsequent quarterly payment date as provided for herein.
  - (3) For taxpayers who are individuals, such declaration of estimated tax to be paid the Municipality shall be accompanied by a payment of at least twenty-two and one-half percent (22.5%) of the estimated annual tax and at least a similar amount shall be paid on or before the last day of the seventh, tenth and thirteenth months after the beginning of the taxable year.
  - (4) For taxpayers that are not individuals, such declaration of estimated tax to be paid the Municipality shall be accompanied by a payment of at least twenty-two and one-half percent (22.5%) of the estimated annual tax and at least a similar amount shall be paid on or before the fifteenth (15th) day of the sixth, ninth and twelfth months after the beginning of the taxable year.
  - (5) The mere submission of a declaration estimating a tax liability shall not constitute filing unless accompanied by the required payment.
- (d) Amended Declaration.
- (1) A declaration may be amended at any time.
  - (2) In the event that an amended declaration has been filed, the unpaid balance shown due thereon shall be paid in equal installments on or before the remaining payment dates.
- (e) Annual Return Required. On or before the fifteenth day of the fourth month of the calendar or fiscal year, an annual return shall be filed and any balance which may be due the Municipality shall be paid therewith in accordance with the provisions of Section 181.05. (Ord. 03-0-285. Passed 12-18-03.)

**181.08 DUTIES AND POWERS OF TAX ADMINISTRATOR.**

- (a) (1) It shall be the duty of the Tax Administrator to collect and receive the tax imposed by this Chapter in the manner prescribed therein, to keep an accurate record thereof, and to report all monies so received.
- (2) It shall be the duty of the Tax Administrator to enforce payment of all income taxes owing the Municipality, to keep accurate records for a minimum of six (6) years, showing the amount due from each taxpayer required to file a declaration or make any return, including a return of taxes withheld, and to show the dates and amounts of payments thereof.

(b) The Tax Administrator is hereby charged with the enforcement of the provisions of this Chapter, and is hereby empowered, subject to the approval of the Board of Tax Appeals, to adopt and promulgate and to enforce rules and regulations relating to any matter or thing pertaining to the collection of taxes and the administration and enforcement of the provisions of this Chapter, including provisions for the re-examination and correction of returns.

(c) In any case where a taxpayer has failed to file a return or has filed a return which does not show the proper amount of tax due, the Tax Administrator may determine the amount of tax appearing to be due the Municipality from the taxpayer and may send to such taxpayer a written statement showing the amount of tax so determined, together with interest and penalties thereon, if any.

(d) Subject to the consent of a majority of the Board of Tax Appeals, the Tax Administrator shall have the power to compromise any liability imposed by this Tax Code.

(e) Upon the demonstration and documentation of good cause, the Tax Administrator shall have the power to compromise penalty and interest liabilities imposed by this Chapter, consistent with this Chapter and the Rules and Regulations.  
(Ord. 03-0-285. Passed 12-18-03.)

**181.09 INVESTIGATIVE POWERS OF TAX ADMINISTRATOR;  
PENALTY FOR DIVULGING CONFIDENTIAL INFORMATION.**

(a) The Tax Administrator, or any of his authorized agents, is hereby authorized to examine the books, papers, records and federal income tax returns of any employer, taxpayer, or any person subject to, or whom the Tax Administrator believes is subject to, the provisions of this Chapter for the purpose of verifying the accuracy of any return made, or, if no return was made, to ascertain the tax or withholdings due under this Chapter. Every such employer, supposed employer, taxpayer or supposed taxpayer is hereby directed and required to furnish, upon written request of the Tax Administrator, or his duly authorized agent or employee, the means, facilities and opportunities for making such examinations and investigations as are hereby authorized.

(b) The Tax Administrator is hereby authorized to order any person, presumed to have knowledge of the facts, to appear at the office of the Tax Administrator and to examine such person, under oath, concerning any income which was or should have been reported for taxation, or withheld, or any transaction tending to affect such income, and for this purpose may compel the production of books, papers, records and federal income tax returns, and the attendance of all persons before him, whether as parties or witnesses, whenever he believes such persons have knowledge of such income or information pertinent to such inquiry.

(c) The refusal to produce books, papers, records or federal income tax returns, or the refusal to submit to such examination by any employer or person subject, or presumed to be subject, to the tax or by any officer, agent or employee of a person subject to the tax or required to withhold tax, or the failure of any person to comply with the provisions of this section or with an order or subpoena of the Tax Administrator authorized hereby, shall be deemed a violation of this Chapter punishable as provided in Section 181.99.

(d) Every taxpayer shall retain all records necessary to compute his tax liability for a period of six (6) years from the date his return is filed or the taxes required to be withheld are paid.

(e) Any information gained as a result of returns, investigations, hearings, or verifications required or authorized by this Chapter shall be confidential and no person shall disclose such information except in accordance with a proper judicial order or in connection with the performance of that person's official duties or the official business of the municipal corporation as authorized by this Chapter. The Tax Administrator of the municipal corporation may furnish copies of returns filed under this Chapter to the Internal Revenue Service and to the State Tax Commissioner.

(g) In addition to the above penalty, any employee of the Municipality who violates the provisions of this section relative to the disclosure of confidential information shall be guilty of an offense punishable by immediate dismissal.  
(Ord. 03-0-285. Passed 12-18-03.)

#### **181.10 INTEREST AND PENALTIES.**

(a) All taxes imposed and monies withheld or required to be withheld by employers under the provisions of this Tax Code shall bear interest at the same rate which section 718.12 of the Ohio Revised Code of Ohio requires be paid by municipalities on their income tax refunds, i.e., the federal short-term rate as defined in section 5703.47 of the Ohio Revised Code, plus three percent (3%) per year.

(b) In addition to interest as provided in subsection (a) hereof, penalties are hereby imposed as follows based on the tax remaining unpaid after it becomes due:

- (4) Where the taxpayer has failed to file a declaration on which he has estimated and paid a tax equal to or greater than the tax paid for the previous year, or where he has filed a previous return and has failed to file a declaration on which he has estimated and paid a tax equal to or greater than ninety percent (90%) of the actual tax for the year, or has failed to file a return and paid the total tax on or before the end of the month following the end of the taxable year; ten percent (10%) of the difference between ninety percent (90%) of the actual tax for the year and the amount paid through withholding and declaration.
- (5) No penalty or interest shall be charged against a taxpayer for the late payment or nonpayment of estimated tax liability if the taxpayer is an individual who resides in the municipal corporation but was not domiciled there on the first day of January of the tax year being filed.
- (6) Except in the case of fraud, the penalty shall not exceed fifty percent (50%) of the unpaid tax.
- (7) Any employer required to file employee wage and tax statements and annual reconciliation of returns in accordance with this chapter, who fails to file such returns or statements or files incomplete returns or statements shall be subject to a penalty of fifty dollars (\$50.00) per return or statement, up to a maximum of one thousand dollars (\$ 1,000) per tax year.

(c) Exceptions. A penalty shall not be assessed on an additional tax assessment made by the Tax Administrator when a return has been filed in good faith and the tax paid thereon within the time prescribed by the Tax Administrator; and provided further that, in the absence of fraud, neither penalty nor interest shall be assessed on any additional tax assessment resulting from a federal audit, providing an amended return is filed and the additional tax is paid within three (3) months after the final determination of the federal tax liability.

(d) Computed penalties of less than five dollars (\$5.00) for a first violation shall not be assessed. However, notification to the taxpayer of a first time violation will be made. (Ord. 03-0-285. Passed 12-18-03.)

(e) Abatement of Penalty by Tax Administrator. Upon written request of the taxpayer, the Tax Administrator may abate, in whole, any penalty imposed by this section of two hundred fifty dollars (\$250.00) or less and may abate, in whole, any interest by this section of one hundred dollars (\$100.00) or less, where the taxpayer shows that the taxpayer's failure to comply with the provisions of this chapter is due to reasonable cause and not willful neglect. (Ord. 04-0-311. Passed 10-21-04.)

**181.11 COLLECTION OF UNPAID TAXES AND REFUNDS OF OVERPAYMENTS.**

(a) All taxes imposed by this Chapter shall be collectible, together with any interest and penalties thereon, by suit as other debts of like amount are recoverable. No additional assessment shall be made after three (3) years from the time the tax was due or the return was filed, whichever is later, provided however, there shall be no period of limitation on an additional assessment in a case of a return that omits gross income in excess of twenty-five per cent (25%) of that required to be reported or in the case of filing a false or fraudulent return with intent to evade the tax, or in the case of failure to file a return. In those cases in which the Commissioner of Internal Revenue and the taxpayer have executed a waiver of the federal statute of limitations the period within which an additional assessment may be made by the Tax Administrator shall be extended one (1) year from the time of the final determination of the federal tax liability.

(b) Taxes erroneously paid shall not be refunded unless a claim for refund is made within three (3) years from the date on which such payment was made or the return was due, or within three (3) months after final determination of the federal tax liability, whichever is later.

(c) Interest shall be allowed and paid on any overpayment by a taxpayer of any municipal income tax obligation from the date of the overpayment, with the following exception: No interest shall be allowed on any overpayment that is refunded within ninety (90) days after the final filing date of the annual return or ninety (90) days after the complete return is filed, whichever is later. For purposes of computing the payment of interest on overpayments, no amount of tax for any taxable year shall be treated as having been paid before the date on which the tax return for that year was due without regard to any extension of time for filing that return. The interest shall be paid at the rate of interest prescribed by Ohio R.C. 5703.47.

(d) Amounts of less than five dollars (\$5.00) shall not be collected or refunded.

After such approval, such rules, regulations, amendments and changes shall be open to public inspection. The Board shall hear and pass on appeals from any ruling or decision of the Tax Administrator, and, at the request of the taxpayer or Tax Administrator, is empowered to substitute alternate methods of apportionment.

(c) Whenever the Tax Administrator issues a decision regarding an income tax obligation that is subject to appeal as provided in this section, or in an ordinance or regulation of the Municipality, the Tax Administrator shall notify the taxpayer in writing at the same time of the taxpayer's right to appeal the decision and of the manner in which the taxpayer may appeal the decision.

(d) Any person who is aggrieved by a decision by the Tax Administrator and who has filed with the Municipality the required returns or other documents pertaining to the municipal income tax obligation at issue in the decision may appeal the decision to the Board by filing a request with the Board. The request shall be in writing, shall state with particularity why the decision should be deemed incorrect or unlawful, and shall be filed within thirty (30) days after the Tax Administrator has issued the decision.

(e) The imposition of penalty and interest as prescribed in the Codified Ordinances of the Municipality is not a sole basis for an appeal, unless the appellant can show that the charges assessed were either unlawful or incorrect.

(f) The Board shall schedule a hearing within forty-five (45) days after receiving the request, unless the taxpayer waives a hearing. If the taxpayer does not waive the hearing, the taxpayer may appear before the Board and may be represented by an attorney at law, certified public accountant or other representative.

The taxpayer or the Tax Administrator may appeal the Board's decision as provided in section 5717.011 of the Ohio Revised Code.
