

WHY A PERMANENT LEVY?

Maintenance on our 307 residential streets and 20 major thoroughfares requires continuous funding. Estimated annual maintenance costs is \$2 million for neighborhood streets and \$1.5 million for the thoroughfares.

1994-2019

*Limited repairs made.
Roads deteriorate
without direct funding*

PAST

2020-2024

(Pending Issue #21 passing)

*Catch-up Years
\$4 million/year
Complete repairs and begin
required maintenance*

NOW

Future

*(Current repairs
and maintenance):*

**Estimated maintenance
\$3.5 million/year**
Maintain repaired roads

FUTURE

ROAD repairs and maintenance are a continuous expense for **ALL** cities.
